

# PocketRx Reseller Program

*Choose your level of participation. Choose your level of earnings.*

PocketRx Resellers are independent pharmacy management specialists with a commitment to providing their pharmacy customers an outstanding mobile platform that delivers. With PocketRx, Praeses delivers to its resellers a multiplatform solution, focused on improving customer growth and retention for our valued resellers. Team up with one of the most recognized brands in mobile software technology!

The PocketRx Reseller Program offers multi-levels of participation, giving pharmacy management specialists the option to select the appropriate level of participation that best meets their needs. Each level offers a different set of partner responsibilities. And with those responsibilities comes the potential to earn more reseller dollars.

And no matter what level you choose, the PocketRx Reseller Program is there to provide you support through our trusted team of mobile specialists.

### Premiere Level

Resellers at the Premiere Level are responsible for acquiring and managing sales, contracting, account management, and accounting as well as marketing and distribution. At this level, Praeses will offer product, sales, and marketing support.

### Affiliate Level

Resellers at the Affiliate Level are responsible for distribution of product information provided by Praeses. Praeses is responsible for acquiring and managing sales, contracting, account management, and accounting as well as product support.
